WHAT'S OKAY TO SEND CAMPERS

Campers are welcome to receive mail (and send mail too!). Please feel free to send mail to your campers as often as you wish, but please limit it to letters.

Please do not send any food, gum or water – it will be thrown away.

CARE PACKAGES: packages to be shared with other campers are not necessary. Please don't send items to be shared with the whole bunk; we truly appreciate the thought, but it's safer for all campers just to send your child what they might wish.

Please do not send any money – there is nothing for them to buy.

Please inform relatives and anyone else who might possibly send them something and tell your camper to inform their friends. Thank you for understanding that if food is sent by mistake, we will not hold it for the time your camper is with us....under any circumstances.
