### PHONE NUMBERS

**(please use these from June 25 - August 27, 2023)**

Please call us because email service during the summer is unreliable. Your camper’s Unit Leader will call you with an update before the end of the first week of camp; this allows us time to get to know your camper. The Unit Leader will also arrange the weekly day and time for your camper to call you for a 5-minute touch-base (using our landline phones). Campers do not have access to Wi-Fi. If your camper ever communicates anything to you that you think we should be aware of, please don’t assume we know it – our campers are so sweet and kind that sometimes they don’t share everything with us. The more we know, the better we can help your camper have the best time at camp.
